

IMPRESSION PRO Poster Frames – Fire resistant

These fire-resistant poster frames are designed with safety in mind, making it ideal for securely displaying essential information such as emergency procedures, fire exit routes, safety instructions and notices. Perfect for offices, school, busy public areas and any environment when fire safety and visibility is critical. Tested according to DIN 4102-B1 standards, this snap frame is flame resistant and helps prevent the spread of a fire. Bordered by an aluminium 25mm trim, the display frame features mitred corners for a seamless and professional look. The snap-open and snap-close design allows for quick and easy hassle-free document changes - ideal for both temporary or permanent displays. The sign holder is easy to mount and comes with a complete mounting kit. Screws are concealed behind the trim for a clean finish, and the frame can be used in portrait or landscape format. An anti-glare APET cover protects your document from dirt and moisture while keeping it clearly visible. The non-reflective surface is also easy to wipe clean, keeping your message sharp and easy to read at all times. Be clear with Nobo.
