This modern magnetic whiteboard flipchart easel, with its sleek plastic trim, is the perfect addition to any office or school. Its painted steel surface offers increased erasability which is less prone to ghost marks, stains and resistant to scratches and dents, making it ideal for moderate use. The smooth surface enhances writing, ensuring clear, bold and stand out communication for effective collaboration. The magnetic surface allows for easy attachment of notes, photos, and key information, while the integrated tray keeps whiteboard pens and magnets organised.
